## Patient Information Leaflet

# Welcome to Children's Daycase

Please speak to a member of staff if you need this leaflet in large print, braille, audio or another language

**I will enter Staffordshire Children's hospital through automatic doors.**

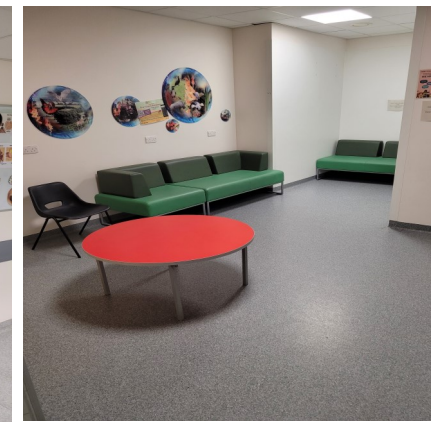

**I will then take the lift or stairs to the Ground floor and follow the signs to Ward 217**

**The nurse and porter will take me for my scan.**

**The nurse and porter will take me to theatre**

**The nurse and porter will bring me back to daycase unit.**

**I will have my blood pressure taken.**

**My temperature will be taken using an ear thermometer**

**Oxygen levels in my blood, will be checked using a plastic clip on my finger.**

**My parent or carer will use the intercom and doors will open.**

**We turn right to children's daycase unit. When we enter the ward.**

**My parent or carers will give my details to the receptionist**

**If I find the main daycase unit to busy or noisy for me, I can go to a quieter room.**

**I will sit in the waiting area until my name is called.**

**The nurse will introduce themselves to me and take me to a bed or sitting area.**
