Dear

I am writing in response to your email dated 30th May 2019 requesting information under the Freedom of Information Act (2000) regarding fleet vehicles.

With regard to the registration aspect of your request, we regret to inform you that University Hospitals of North Midlands NHS Trust takes the view that this information is exempt from disclosure in accordance section 31(1) (a) the prevention or detection of a crime. The Trust determines that to disclose the Trusts' fleet cars registration numbers would prejudice the Trust's ability to prevent and react to possible theft. The Trust has applied the public interest test to this request and feels that the public interest in maintaining the exemption outweighs the public interest in disclosure. In addition to the section 31(1) exemption UHNM is applying sections 40 of the FOI Act: personal information and section 41(1) provided in confidence.

As of 1st November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

Q1 Please can I have the following information for vehicles currently on your fleet (used by you) and vehicles sold by you between January 2016 and April 2019?

(Fleet – vehicles, owned/leased/hired) If you lease/hire vehicles then obviously you will not sell them.
