Dear

I am writing to acknowledge receipt of your email dated 20th May 2021 (received into our office 21st May) requesting information under the Freedom of Information Act (2000) regarding number of employees

The University Hospitals of North Midlands Trust is committed to the Freedom of Information Act 2000.

However, the NHS is facing unprecedented challenges relating to the coronavirus (COVID-19) pandemic at the current time. Understandably, our resources have been diverted to support our front-line colleagues who are working tremendously hard to provide care for our patients, and to those in need of our services.

We strive to be transparent and to work with an open culture. But at this time, whilst care of our patients and the safety of our staff takes precedent, it is likely that responses to some requests for information will be delayed. We apologise for this position in advance, and will endeavour to provide you with as much information as we can, as soon as we are able.

The Information Commissioners Office has recognised the current situation in the NHS

As of 1st November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

Q1 I hope this email finds you well, my name's [REDACTED] I'm a reporter with the [REDACTED] Online. I am writing to submit a Freedom of Information request to you under the Freedom of Information Act 2000, to request the following information:

The most up to date data on the number of employees who have left your employment every calendar year, broken down by job role, going back to 2010 (e.g. what data you have for 2021, then, 2020, 2019 and so on)

A1 We are unable to provide the information you require in the requested format as to release this data could lead to the identification of the person(s) involved due to the low numbers involved, and would breach the Trusts obligations under Data Protection Act 2018. Accordingly, this aspect of your request is exempt from disclosure under the terms of Section 40(2) of the FOI Act. *Personal information*. However as the Trust is committed to openness and transparency we can band the numbers as being >5

This exemption is an absolute exemption and therefore no consideration of the public interest test is needed. Please see spread sheet attached - note that the information covers the following organisations

- Royal Stoke to 31/10/14
- Both from 1/11/14

Q2 The number of people you have hired, broken down by job role, over the same time frame

A2 As answer 1
