Dear

I am writing in response to your email dated 1st January 2021 received into our office 4th January 2021 (Covid sent to our communication team) requesting information under the Freedom of Information Act (2000) regarding Covid.

Note all FOI requests should be sent to: Email foi@uhnm.nhs.uk

I can neither confirm nor deny whether the information you have requested is held by the Trust in its entirety. This is because the information requested in your question is not held centrally, but may be recorded in individual health/death records. In order to confirm whether this information is held we would therefore have to individually access all individual health/death records within the Trust and extract the information where it is present. We therefore estimate that complying with your request is exempt under section 12 of the FOI Act: *cost of compliance is excessive*. The section 12 exemption applies when it is estimated a request will take in excess of 18 hours to complete. We estimate that accessing and reviewing all individual health/death records and then extracting relevant information would take longer than the 18 hours allowed for. In addition to the section 12 exemption the Trust is also applying section 14 (1) exemption: *oppressive burden on the authority*

As of 1st November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

Q1 The total number of deaths across Royal Stoke University Hospital, Stoke on Trent and County Hospital, Stafford during the period 01/01/2020 to 31/12/2020, where cause of death was ONLY Covid-19 (i.e. no documented co-morbidities).

A1 Section 12 exemption as detailed above.

*Please note that any individuals identified do not give consent for their personal data to be processed for the purposes of direct marketing.

UHNM NHS Trust is a public sector body and governed by EU law. FOI requestors should note that any new Trust requirements over the EU threshold will be subject to these regulations and will be advertised for open competition accordingly.
