1808	Pharmacy	Benjamin	Jones	Hospitality - travel and accommodation	<p>Site visit to reference sites of the Gollman robot overseas. This was required due to Omnicell decision to cease production of the Medimat Robotic Dispensing System (RDS), which was the system offered that won Omnicell the award for the Pharmacy Robot Replacement procurement process. The visit was to introduce their new partnership RDS called the Gollman; however there are no reference sites in the UK. Omnicell offered to pay for flights and accommodation to enable the visit. Given the financial pressures on the Pharmacy Directorate and Trust more broadly the decision was taken to go ahead with the visit. All travel and accommodation in the UK was paid for by the Trust, only the flights and overseas accommodation was covered by Omnicell.</p> <p>This will have no impact on any final procurement decision taken in a future process and was merely an introductory exercise to view an RDS that has never been installed in the UK before.</p>	24/10/2024 - 25/10/2024	£406.68	Omnicell
