Dear

I am writing to acknowledge receipt of your email dated 13th June 2022 requesting information under the Freedom of Information Act (2000) regarding RTT.

**The University Hospitals of North Midlands Trust is committed to the Freedom of Information Act 2000.**

**However, the NHS is facing unprecedented challenges relating to the coronavirus (COVID-19) pandemic at the current time. Understandably, our resources have been diverted to support our front-line colleagues who are working tremendously hard to provide care for our patients, and to those in need of our services.**

**We strive to be transparent and to work with an open culture. But at this time, whilst care of our patients and the safety of our staff takes precedent, it is likely that responses to some requests for information will be delayed. We apologise for this position in advance, and will endeavour to provide you with as much information as we can, as soon as we are able.**

**The Information Commissioners Office has recognised the current situation in the NHS.**

As of 1<sup>st</sup> November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

**Q1 How many patients who require a follow-up appointment (but are not captured in the RTT pathway) does your Trust have on its waiting list?**

**N.B If the figure you provide includes the number of patients on the public RTT pathway please clearly state this.**

A1 To clarify which cohort of patients have been used to answer this question - This is all the patients on the Outpatient Waiting List not in the Follow Up - 18 week category.

As at 12th June there are 181,115 on the waiting list.
