Dear

I am writing to acknowledge receipt of your email dated 2nd May 2022 (received into our office 3rd May) requesting information under the Freedom of Information Act (2000) regarding NDAs/confidentiality clauses.

The University Hospitals of North Midlands Trust is committed to the Freedom of Information Act 2000.

However, the NHS is facing unprecedented challenges relating to the coronavirus (COVID-19) pandemic at the current time. Understandably, our resources have been diverted to support our front-line colleagues who are working tremendously hard to provide care for our patients, and to those in need of our services.

We strive to be transparent and to work with an open culture. But at this time, whilst care of our patients and the safety of our staff takes precedent, it is likely that responses to some requests for information will be delayed. We apologise for this position in advance, and will endeavour to provide you with as much information as we can, as soon as we are able.

The Information Commissioners Office has recognised the current situation in the NHS.

As of 1st November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

Q1 In the period 1st January 2018 - the present (2nd May 2022), how many non-disclosure agreements (NDAs)/agreements with 'confidentiality clauses' has this Trust signed with staff or contractors relating to complaints and/or settlements regarding:

- **sexual harassment**
- **assault**
- **discrimination**
- **whistleblowing/public interest disclosure**
- **any other not included above**

Please break the data down by year and by stated category (e.g. sexual harassment).
