Dear

I am writing to acknowledge receipt of your email dated 16th September 2022 requesting information under the Freedom of Information Act (2000) regarding Declaration of Conformity.

As of 1st November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

Q1 I am requesting the Regulation (EU) 2016/425 Declarations of Conformity for all type IIR surgical masks provided as PPE to staff since 15 June 2020. Regulation (EU) 2016/425 states that the Declarations of Conformity must be provided physically with the PPE or a weblink printed on the PPE packaging. Which means if the PPE provided is legally compliant, then the Declarations of Conformity will be readily accessible.

A1 UHNM does not procure the type II surgical masks ourselves and we do not retain the information on the masks. The Masks are supplied via the NHSE PPE push deliveries. The FOI should be directed to them at the following email address. <https://www.england.nhs.uk/contact-us/foi/>

*Please note that any individuals identified do not give consent for their personal data to be processed for the purposes of direct marketing.

UHNM NHS Trust is a public sector body and governed by EU law. FOI requestors should note that any new Trust requirements over the EU threshold will be subject to these regulations and will be advertised for open competition accordingly.
