Dear

I am writing in response to your email dated 31<sup>st</sup> August 2018 requesting information under the Freedom of Information Act (2000) regarding bullying and harassment in the NHS

I can neither confirm nor deny whether the information you have requested is held by the Trust in its entirety. This is because the information requested in question 8 is not held centrally, but may be recorded in individual personnel records. In order to confirm whether this information is held we would therefore have to individually access all personnel records within the Trust and extract the information where it is present. We therefore estimate that complying with your request is exempt under section 12 of the FOI Act: *cost of compliance is excessive*. The section 12 exemption applies when it is estimated a request will take in excess of 18 hours to complete. We estimate that accessing and reviewing all personnel records and then extracting relevant information would take longer than the 18 hours allowed for.

Under section 16 of the FOI Act we are required to provide requestors with advice and assistance where possible. We would therefore like to advise you that if your request is shortened to the remaining questions we are able to comply within the 18 hour time frame. In order to avoid delay to your response we have provided this attached.

As of 1<sup>st</sup> November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

**Q1 I am writing to request the following information under the Freedom of Information Act 2000.  
Please provide answers to the questions in the attached questionnaire**

A2 Please refer to the attached document that you supplied. Please note that for question 25:

We are unable to provide the information you require in the requested format as to release this data could lead to the identification of the person(s) involved due to the low numbers involved, and would breach the Trusts obligations under Data Protection Act 2018. Accordingly, this aspect of your request is exempt from disclosure under the terms of Section 40(2) of the FOI Act. *Personal information*. However as the Trust is committed to openness and transparency we can band the numbers and have provided this in the attached document.

\*Please note that any individuals identified do not give consent for their personal data to be processed for the purposes of direct marketing.

***UHNM NHS Trust is a public sector body and governed by EU law. FOI requestors should note that any new Trust requirements over the EU threshold will be subject to these regulations and will be advertised for open competition accordingly.***
