Dear

I am writing to acknowledge receipt of your email dated 24th August 2022 requesting information under the Freedom of Information Act (2000) regarding endoscopy staff.

The University Hospitals of North Midlands Trust is committed to the Freedom of Information Act 2000.

However, the NHS is facing unprecedented challenges relating to the coronavirus (COVID-19) pandemic at the current time. Understandably, our resources have been diverted to support our front-line colleagues who are working tremendously hard to provide care for our patients, and to those in need of our services.

We strive to be transparent and to work with an open culture. But at this time, whilst care of our patients and the safety of our staff takes precedent, it is likely that responses to some requests for information will be delayed. We apologise for this position in advance, and will endeavour to provide you with as much information as we can, as soon as we are able.

The Information Commissioners Office has recognised the current situation in the NHS.

As of 1st November 2014 University Hospitals of North Midlands NHS Trust (UHM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

Q1 I am writing with a Freedom of Information request regarding the contracted provision of endoscopy staff and facilities, from the independent sector, at your Trust. We would like to get data on the contracts your trust has with independent providers that result in:

- **Your Trust's staff using independent provider facilities (rooms, instruments and scopes, decontamination equipment) to perform endoscopies, or**
- **Complete outsource of full service, i.e., your Trust is paying for patients to get endoscopies by independent sector staff in independent sector facilities.**

For those contracts, could you please provide?

- **The name of the provider**
- **Start and End date of contract**
- **Type of contract (facilities only, facilities and staff (service model))**

- Value of contract
- JAG accreditation (Y/N is enough) – refers to either facilities or staff and facilities depending on contract
- Number of endoscopies (or number of rooms and number of FTE staff) outsourced (if full service contract type)
- Number of beds (and/or) rooms contracted (if facilities contract)

To assist, we have attached an Excel template to simplify the fill in process and standardise the information.

A1 The endoscopy service does not outsource its activity
