Dear

I am writing in response to your email dated 22nd October 2019 regarding our response to your request for information under the Freedom of Information Act (2000) regarding Number of theatres.

You emailed the following:

*"Thank you for your response to my freedom of information request. Please could you split the answers to the appropriate Hospitals as opposed to an overall number of theatres?
Can you confirm the information provided for the system names and dates refer to each individual hospital?"*

As of 1st November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.
