Dear

I am writing in response to your email dated 7<sup>th</sup> January 2021 requesting information under the Freedom of Information Act (2000) regarding drug and alcohol misuse.

I can neither confirm nor deny whether the information you have requested is held by the Trust in its entirety. This is because the information requested in your question is not held centrally, but may be recorded in individual health records. In order to confirm whether this information is held we would therefore have to individually access all individual health records within the Trust and extract the information where it is present. We therefore estimate that complying with your request is exempt under section 12 of the FOI Act: *cost of compliance is excessive*. The section 12 exemption applies when it is estimated a request will take in excess of 18 hours to complete. We estimate that accessing and reviewing all individual health records and then extracting relevant information would take longer than the 18 hours allowed for. In addition to the section 12 exemption the Trust is also applying section 14 (1) exemption: *oppressive burden on the authority*

As of 1<sup>st</sup> November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

**Q1 Please could you provide me with the number of people who were admitted to your hospital for drug and alcohol misuse such as overdose or addiction from 2018-2020?**

A1 Section 12 exemption as detailed above. However mental health services (addiction comes under this heading) are managed by North Staffordshire Combined Healthcare NHS Trust. If you wish to redirect your request to the Trust you can do so by post or email: [communications@northstaffs.nhs.uk](mailto:communications@northstaffs.nhs.uk)
