Dear

I am writing in response to your email dated 21st July 2021 requesting information under the Freedom of Information Act (2000) regarding FEES.

As of 1st November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

Q1 I would like to make a freedom of information request to your Speech and Language Therapy Department, if you have one.

Please can you tell me whether your Trust completes FEES (fiberoptic endoscopic evaluation of swallowing) assessments within the speech and language therapy department?

If so, on average, how many inpatient FEES assessments are completed per year and how many outpatient assessments are completed per year?

This is to help with a quality improvement piece of work and also the completion of a business case.
