Dear

I am writing to acknowledge receipt of your email dated 24th August 2022 requesting information under the Freedom of Information Act (2000) regarding Orthopaedic staffing.

The University Hospitals of North Midlands Trust is committed to the Freedom of Information Act 2000.

However, the NHS is facing unprecedented challenges relating to the coronavirus (COVID-19) pandemic at the current time. Understandably, our resources have been diverted to support our front-line colleagues who are working tremendously hard to provide care for our patients, and to those in need of our services.

We strive to be transparent and to work with an open culture. But at this time, whilst care of our patients and the safety of our staff takes precedent, it is likely that responses to some requests for information will be delayed. We apologise for this position in advance, and will endeavour to provide you with as much information as we can, as soon as we are able.

The Information Commissioners Office has recognised the current situation in the NHS.

On the same day we notified you that unfortunately UHNM is unable to open survey links or respond to FOI request made this way, due to cyber security and the procedures we have in place to validate the information we release.

We are more than happy to answer your request in the format you required if you are able to put into a word document/ spread sheet or in the body of an email.

As of 1st November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.
