Dear

I am writing in response to your email dated 2<sup>nd</sup> April 2021 (received into our office 6<sup>th</sup> April) requesting information under the Freedom of Information Act (2000) regarding circumcisions.

***The University Hospitals of North Midlands Trust is committed to the Freedom of Information Act 2000.***

***However, the NHS is facing unprecedented challenges relating to the coronavirus (COVID-19) pandemic at the current time. Understandably, our resources have been diverted to support our front-line colleagues who are working tremendously hard to provide care for our patients, and to those in need of our services.***

***We strive to be transparent and to work with an open culture. But at this time, whilst care of our patients and the safety of our staff takes precedent, it is likely that responses to some requests for information will be delayed. We apologise for this position in advance, and will endeavour to provide you with as much information as we can, as soon as we are able.***

***The Information Commissioners Office has recognised the current situation in the NHS***

As of 1<sup>st</sup> November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

**If possible I would like to be provided with a breakdown of the ages of the patients at the time of the procedure; either in the way in which this information is already recorded by yourselves, or alternatively in the following way:**

- **Between the ages 5-8**
- **Between the ages 9-12**
- **Between the ages 13-16**

- **Between the ages 16 to 20**
