Dear

I am writing in response to your email dated 13/07/21 requesting information under the Freedom of Information Act (2000) regarding Section 47 referrals.

As of 1st November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

Q1 Please can you tell me how many Section 47 referrals the Trust has received in each year over the past five years (Apr-Mar for each year)?

A1 We do not receive section 47 referrals- we make child protection or safeguarding referrals to social care but not all of these by any means would result in section 47 investigations

Q2 Please can you also tell me how many children have been subject to Child Protection Medicals at the Trust in each year over the past five years?

A2 Information not held

Q3 If possible, please can you include a summary of the child's condition and the outcome for each case e.g. the child was placed in care, the child returned home but with support from social services.

A3 As answer 2
