Dear

I am writing in response to your email dated 12th January 2020 (received into our office 13th January) requesting information under the Freedom of Information Act (2000) regarding Clinically Artificial Nutrition and Hydration (CANH).

As of 1st November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

Q1 In your Trust is there any formal register kept of deaths occurring as a result of withdrawal of Clinically Artificial Nutrition and Hydration (CANH) that occur under the provisions of the Mental Capacity Act 2005 and BMA/RCP/GMC Guidelines 2018?

A1 No

Q2 If such a register is kept can you advise if there is any independent internal or external audit made of such deaths and the degree to which there is compliance with the BMA/RCP/GMC Guidelines, 2018 when such deaths occur?

A2 Not applicable

Q3 Where deaths due to withdrawal of CANH are recorded and an audit is made of these, can you give an indication of the number such deaths in 2018 and in 2019 and the percentage of cases where the BMA/RCP/GMC Guideline Checklist has been used and fully completed?

A3 Not applicable

*Please note that any individuals identified do not give consent for their personal data to be processed for the purposes of direct marketing.
