Dear

I am writing in response to your email dated 3rd August 2020 requesting information under the Freedom of Information Act (2000) regarding atopic dermatitis

On our acknowledgment we added the following statement:

The University Hospitals of North Midlands Trust is committed to the Freedom of Information Act 2000.

However, the NHS is facing unprecedented challenges relating to the coronavirus (COVID-19) pandemic at the current time. Understandably, our resources have been diverted to support our front-line colleagues who are working tremendously hard to provide care for our patients, and to those in need of our services.

We strive to be transparent and to work with an open culture. But at this time, whilst care of our patients and the safety of our staff takes precedent, it is likely that responses to some requests for information will be delayed. We apologise for this position in advance, and will endeavour to provide you with as much information as we can, as soon as we are able.

The Information Commissioners Office has recognised the current situation in the NHS.

On 5th August 2020 we contacted you via email as we required clarification on one of the drugs in Q4

On 11th August 2020 you replied via email with the following:
"Dupilumab is an injection, but it is a monoclonal antibody."

As of 1st November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

Q1 We are conducting a piece of research into atopic dermatitis treatments. Under the Freedom of Information Act 2000 we would like to request the information contained in the attached document.

Please see template attached for your completion.

For the avoidance of doubt, we do not require any information that may identify individual patients, clinicians or pharmacists or that may otherwise be categorised as personal data.

A1 We are unable to provide some of the information you require in the requested format as to release this data could lead to the identification of the person(s) involved due to the low numbers involved (questions 1, 3 and 6) , and would breach the Trusts obligations under Data Protection Act 2018. Accordingly, this aspect of your request is exempt from disclosure under the terms of Section 40(2) of the FOI Act. *Personal information*. However as the Trust is committed to openness and transparency we can band the numbers. Please refer to the attached document that you supplied

This exemption is an absolute exemption and therefore no consideration of the public interest test is needed.

*Please note that any individuals identified do not give consent for their personal data to be processed for the purposes of direct marketing.

UHNM NHS Trust is a public sector body and governed by EU law. FOI requestors should note that any new Trust requirements over the EU threshold will be subject to these regulations and will be advertised for open competition accordingly.
