Dear

I am writing to acknowledge receipt of your email dated 4th December 2023 requesting information under the Freedom of Information Act (2000) regarding sexual abuse

As of 1st November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

Q1 I am undertaking a FOI request across all UK NHS Hospital Trust/ Health Boards, asking about the training that health visitors and physiotherapists [who provide care within the maternity services] receive about trauma informed care and the causes and consequences of sexual violence, and about the way that maternity services enquire / offer the opportunity to women and birthing people to share if they have experienced sexual abuse and/or sexual violence.

I would be very grateful if you could complete this survey on behalf of your NHS organisation. Please include information about community maternity services, in addition to acute services.

A1 Refer to the attached document that you supplied
