

Ref: FOIA Reference 2020/21-267

Date: 15<sup>th</sup> October 2020

Email [foi@uhn.nhs.uk](mailto:foi@uhn.nhs.uk)

Dear

I am writing in response to your email dated 5<sup>th</sup> October 2020 requesting information under the Freedom of Information Act (2000) regarding intra-vitreous injections.

I can neither confirm nor deny whether the information you have requested is held by the Trust in its entirety. This is because the information requested in question- 2 is not held centrally, but may be recorded in health records. In order to confirm whether this information is held we would therefore have to individually access all health records within the Trust and extract the information where it is present. We therefore estimate that complying with your request is exempt under section 12 of the FOI Act: *cost of compliance is excessive*. The section 12 exemption applies when it is estimated a request will take in excess of 18 hours to complete. We estimate that accessing and reviewing all health records and then extracting relevant information would take longer than the 18 hours allowed for. In addition to the section 12 exemption the Trust is also applying section 14 (1) exemption: *oppressive burden on the authority*

Under section 16 of the FOI Act we are required to provide requestors with advice and assistance where possible. We would therefore like to advise you that if your request is shortened to just questions 1 and 3 we are able to comply within the 18 hour time frame. In order to avoid delay to your response we have provided this below.

As of 1<sup>st</sup> November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

**Q1 I have a Freedom of Information request. Could you please provide the answers to the below questions?**

**1. Within your trust how many intra-vitreous injections/implants of each of the following drugs have been used in the four-month period from May-August 2020:**

- **Aflibercept**
- **Bevacizumab**
- **Brolucizumab**

- Dexamethasone
- Fluocinolone
- Ranibizumab

**A2** We are unable to provide the information you require in the requested format as to release this data could lead to the identification of the person(s) involved due to the low numbers involved, and would breach the Trusts obligations under Data Protection Act 2018. Accordingly, this aspect of your request is exempt from disclosure under the terms of Section 40(2) of the FOI

Act. *Personal information*. However as the Trust is committed to openness and transparency we can band the numbers as being <5.

*This exemption is an absolute exemption and therefore no consideration of the public interest test is needed.*

Please see below, note that we are unable to split down by condition- section 12 and 14 exemptions as detailed above.

Row Labels	CRVO_BRVO	DMO	WAMD
Aflibercept		<5	
Bevacizumab	<5	14	<5
Dexamethasone		<5
