

Ref: FOIA Reference 2021/22-657

Date: 29th March 2022

Email foi@uhnm.nhs.uk

Dear

I am writing to acknowledge receipt of your email dated 21st March 2022 (sent to our communications team) requesting information under the Freedom of Information Act (2000) regarding waits

Note all FOI should be sent to foi@uhnm.nhs.uk

On 23rd March we telephone you to ask if you still required the information as you had only given us 12 hours to complete- the FOI Act states we have 20 working days, if you wished to withdraw we advised you to do so at the above email address

The University Hospitals of North Midlands Trust is committed to the Freedom of Information Act 2000.

However, the NHS is facing unprecedented challenges relating to the coronavirus (COVID-19) pandemic at the current time. Understandably, our resources have been diverted to support our front-line colleagues who are working tremendously hard to provide care for our patients, and to those in need of our services.

We strive to be transparent and to work with an open culture. But at this time, whilst care of our patients and the safety of our staff takes precedent, it is likely that responses to some requests for information will be delayed. We apologise for this position in advance, and will endeavour to provide you with as much information as we can, as soon as we are able.

The Information Commissioners Office has recognised the current situation in the NHS.

As of 1st November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

**Q1 I have a query I'm hoping you can help with – I'm doing some system-wide work at the moment and looking at recovery. I would really appreciated answers to the following questions –
How many patients are waiting over 62 days for their cancer treatment? And from this figure how many are without a decision to treat? How many are waiting over 104 days for treatment?**

A1 See below

- For 2ww pathways (excluding screening and upgrades) as of 21.03.22:

- There are 457 patients waiting over 62 days for their cancer treatment
- 177 of the 457 have a DTT (280 are without decision to treat)
- Of the 457 patients, 161 are waiting over 104 days for treatment

*Please note that any individuals identified do not give consent for their personal data to be processed for the purposes of direct marketing.

UHNM NHS Trust is a public sector body and governed by EU law. FOI requestors should note that any new Trust requirements over the EU threshold will be subject to these regulations and will be advertised for open competition accordingly.
