Dear

I am writing in response to your email dated 15<sup>th</sup> May 2020 requesting information under the Freedom of Information Act (2000) regarding skills spend

On our acknowledgment we added the following statement:

**The University Hospitals of North Midlands Trust is committed to the Freedom of Information Act 2000.**

**However, the NHS is facing unprecedented challenges relating to the coronavirus (COVID-19) pandemic at the current time. Understandably, our resources have been diverted to support our front-line colleagues who are working tremendously hard to provide care for our patients, and to those in need of our services.**

**We strive to be transparent and to work with an open culture. But at this time, whilst care of our patients and the safety of our staff takes precedent, it is likely that responses to some requests for information will be delayed. We apologise for this position in advance, and will endeavour to provide you with as much information as we can, as soon as we are able.**

**The Information Commissioners Office has recognised the current situation in the NHS.**

On 19<sup>th</sup> May 2020 we contacted you via email as we required proof of identity, under the FOI Act which clearly states that if we suspect that the request has come from a Pseudonym we are entitled to request proof of the person's identity, as provision of a Pseudonym invalidates a request, therefore please can you provide a photo copy of your driver's licence or other official document that validates your identity.

Please note:

UHNM's request for identification is in compliance with the Information Commissioner guidance "Recognising a request made under the Freedom of Information Act (section 8) Version 1.2". We would like to draw your attention to paragraphs 14, 15, 16, 20, 21 22 and 35 of this guidance. <https://ico.org.uk/for-organisations/guide-to-freedom-of-information/receiving-a-request/> and "What makes a valid request?"

On 20<sup>th</sup> May 2020 you replied via email with the relevant proof of identity.

As of 1<sup>st</sup> November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

**Q1 I would like to make a request under the Freedom of Information Act.**
