Dear

I am writing in response to your email dated 24th February 2021 (received into our office 25th February) requesting information under the Freedom of Information Act (2000) regarding maternity

The University Hospitals of North Midlands Trust is committed to the Freedom of Information Act 2000.

However, the NHS is facing unprecedented challenges relating to the coronavirus (COVID-19) pandemic at the current time. Understandably, our resources have been diverted to support our front-line colleagues who are working tremendously hard to provide care for our patients, and to those in need of our services.

We strive to be transparent and to work with an open culture. But at this time, whilst care of our patients and the safety of our staff takes precedent, it is likely that responses to some requests for information will be delayed. We apologise for this position in advance, and will endeavour to provide you with as much information as we can, as soon as we are able.

The Information Commissioners Office has recognised the current situation in the NHS

As of 1st November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

Q1 On how many occasions has your maternity unit been closed to new admissions in each year of 2018, 2019 and 2020. Please supply figures for the calendar rather than financial year.

A1 The maternity unit at RSUH has not closed at all in the time frame given

The free Standing Midwife Birth Centre closed on 20th March 2020 due to COVID-19 and remains closed.

Q2 For each closure, please state the duration of and the reason for the closure.
