Dear

I am writing to acknowledge receipt of your email dated 20th March 2023 requesting information under the Freedom of Information Act (2000) regarding Patient Level Costing system

As of 1st November 2014 University Hospitals of North Midlands NHS Trust (UHM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

Q1 We are writing to request information under the Freedom of Information Act 2000. CACI Limited is interested in certain information held by your organisation regarding your Patient Level Costing system and Integrated Data Platform (for secondary use). As part of your response, please can you include the following information?

Patient Level Costing system

- 1. Who is your current system supplier for your Patient Level Costing system?**
- 2. When does that contract expire (not including optional extensions)?**
- 3. Is it used purely for the National Cost Collection submission?**
- 4. If not, what other purposes is it used for?**

A1 See below:

1. Logex Healthcare Analytics
2. 31/03/2026
3. No
- a. The system is used for The National Cost Collection as well as Business as Usual quarterly cost modelling, reporting and analytics

Q2 Integrated Data Platform (for secondary use).

- 1. Do you use an Integrated Data Platform that consolidates multiple data sources for the purpose of analytics and reporting?**
- 2. Who is the supplier of this system or systems if more than one?**
- 3. When does the contract (contracts) expire (not including optional extensions)?**

4. Does your current contract meet all your statutory data submission needs?
5. Does the Trust have a strategic Business Intelligence or Data Analytical tool?
6. If so which one?

A2 The Trust has an internally built and designed data warehouse. There are no plans to outsource this. Data feeds are taken from multiple internal systems providing integrated data and reporting. Microsoft BI Stack is the chosen reporting and data visualisation solution

*Please note that any individuals identified do not give consent for their personal data to be processed for the purposes of direct marketing.
