Dear

I am writing in response to your email dated 15<sup>th</sup> April 2020 requesting information under the Freedom of Information Act (2000) regarding named drugs.

On our acknowledgment we added the following statement:

**The University Hospitals of North Midlands Trust is committed to the Freedom of Information Act 2000.**

**However, the NHS is facing unprecedented challenges relating to the coronavirus (COVID-19) pandemic at the current time. Understandably, our resources have been diverted to support our front-line colleagues who are working tremendously hard to provide care for our patients, and to those in need of our services.**

**We strive to be transparent and to work with an open culture. But at this time, whilst care of our patients and the safety of our staff takes precedent, it is likely that responses to some requests for information will be delayed. We apologise for this position in advance, and will endeavour to provide you with as much information as we can, as soon as we are able.**

**The Information Commissioners Office has recognised the current situation in the NHS.**

As of 1<sup>st</sup> November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

A1 We are unable to provide the information you require in the requested format as to release this data could lead to the identification of the person(s) involved due to the low numbers involved, and would breach the Trusts obligations under Data Protection Act 2018. Accordingly, this aspect of your request is exempt from disclosure under the terms of Section 40(2) of the FOI Act. *Personal information*. However as the Trust is committed to openness and transparency we can band the numbers, please see below.

*This exemption is an absolute exemption and therefore no consideration of the public interest test is needed.*

Data shown is number of patient's dispensed products between January 2020 and March 2020. Please note that the route cannot be established in our Pharmacy data. Where the route is requested all data has been flagged under IV.
