As of 1st November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

Q1 Please could you provide the following information under the Freedom of Information Request?

Specialty Area: Gynaecology Cancer

Information Request: Does your Trust have a straight to test gynaecology pelvic ultrasound pathway prior to two week wait cancer referral to exclude endometrial cancer.

If yes, was this agreed with GP and CCG partners?

If yes, have you audited missed/delayed cancer diagnoses following introduction of the pathway and what were your findings?

A1 UHNM does not have a straight to test gynaecology pelvic ultrasound pathway prior to two week wait cancer referral to exclude endometrial cancer.
