Dear

I am writing in response to your email dated 23<sup>rd</sup> February 2021 requesting information under the Freedom of Information Act (2000) regarding clinical waste.

***The University Hospitals of North Midlands Trust is committed to the Freedom of Information Act 2000.***

***However, the NHS is facing unprecedented challenges relating to the coronavirus (COVID-19) pandemic at the current time. Understandably, our resources have been diverted to support our front-line colleagues who are working tremendously hard to provide care for our patients, and to those in need of our services.***

***We strive to be transparent and to work with an open culture. But at this time, whilst care of our patients and the safety of our staff takes precedent, it is likely that responses to some requests for information will be delayed. We apologise for this position in advance, and will endeavour to provide you with as much information as we can, as soon as we are able.***

***The Information Commissioners Office has recognised the current situation in the NHS***

As of 1<sup>st</sup> November 2014 University Hospitals of North Midlands NHS Trust (UHM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

**Q1 This is a request under the Freedom of Information Act 2000 regarding waste disposal within your hospitals.**

- 1. How many tonnes of clinical waste did hospitals under your jurisdiction incinerate each month between March 2020 and January 2021?**

By 'incinerate', I mean clinical waste sent for incineration.

Please send this information electronically in Excel format.

I understand that I should expect to receive a response within 20 working days, as outlined by the Freedom of Information Act 2000. However, I would appreciate a substantial response as soon as possible. To this end, I would be happy to speak via email or phone if you would like to discuss my request further, or should you have any queries
