Dear Sir/ Madam

I am writing to acknowledge receipt of your email dated 8th November 2024 requesting information under the Freedom of Information Act (2000) L&D Contact and Apprenticeship

Q1 Under the Freedom of Information Act, I would like to request the contact information for your Learning and Development department or the appropriate person overseeing staff training and development. Additionally, I am interested in any information on programmes or initiatives related to sustainability training and development.

We are exploring partnerships to offer a sustainability apprenticeship programme and would appreciate information on any relevant training initiatives already in place.

A1 See below:

Contact for Learning & Education is Craig Wallace, Associate Director Learning and Education, craig.wallace@uhnm.nhs.uk

Contact for specific sustainability training and development programmes is Jenny Branford, Sustainability Manager (interim), jenny.branford@uhnm.nhs.uk

We offer all Trust staff the following training programmes, which they can access via the Electronic Staff Record (ESR) system:

- 000 All Our Health: Air Pollution
- 000 Building a Net Zero NHS
- 000 Environmental Sustainability in Quality Improvement
- 205 Sustainability eLearning

We also provide inhouse, bespoke training as part of the SWITCH behaviour change campaign, as requested by clinical teams. This includes regular sustainability training as part of the Trust Quality Improvement sessions.

We currently haven't utilised the apprenticeship levy in 2024/25 to support staff on sustainability.
