Dear

I am writing to acknowledge receipt of your email dated 18th August 2022 requesting information under the Freedom of Information Act (2000) regarding asthma drugs.

**The University Hospitals of North Midlands Trust is committed to the Freedom of Information Act 2000.**

**However, the NHS is facing unprecedented challenges relating to the coronavirus (COVID-19) pandemic at the current time. Understandably, our resources have been diverted to support our front-line colleagues who are working tremendously hard to provide care for our patients, and to those in need of our services.**

**We strive to be transparent and to work with an open culture. But at this time, whilst care of our patients and the safety of our staff takes precedent, it is likely that responses to some requests for information will be delayed. We apologise for this position in advance, and will endeavour to provide you with as much information as we can, as soon as we are able.**

**The Information Commissioners Office has recognised the current situation in the NHS.**

As of 1<sup>st</sup> November 2014 University Hospitals of North Midlands NHS Trust (UHM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

**Q1 How many patients have been treated (for any condition) in the last 4 months with:**

- **Benralizumab**
- **Omalizumab**
- **Reslizumab**
- **Mepolizumab**

A1 See below:

Product	Patient Count
Benralizumab	50
Omalizumab	30
Reslizumab	0
Mepolizumab	34

**Q2 Of the patients treated in the last 4 months with any of the above products, please provide the number of patients by the following age-groups:**

- **Age 6-11**
- **Age 12-17**
- **Age 18 and above**

A2 See below:

Product	Age 6-11	Age 12-17	Age 18 and above
Benralizumab	0	0	50
Omalizumab	1	6	23
Reslizumab	0	0	0
Mepolizumab	2	2	30

**Q3 How many patients have been treated in the last 4 months with Dupilumab for:**

- **Asthma ONLY**
- **Chronic rhinosinusitis with nasal polyps ONLY**

A3 I can neither confirm nor deny whether the information you have requested is held by the Trust in its entirety. This is because the information requested in this question is not held centrally, but may be recorded in individual health records. In order to confirm whether this information is held we would therefore have to individually access all individual health records within the Trust and extract the information where it is present. We therefore estimate that complying with your request is exempt under section 12 of the FOI Act: *cost of compliance is excessive*. The section 12 exemption applies when it is estimated a request will take in excess of 18 hours to complete. We estimate that accessing and reviewing all individual health records and then extracting relevant information would take longer than the 18 hours allowed for. In addition to the section 12 exemption the Trust is also applying section 14 (1) exemption: *oppressive burden on the authority*

Under section 16 of the FOI Act we are required to provide requestors with advice and assistance where possible. We would therefore like to advise you that your request is shortened to just the questions that we are able to comply within the 18 hour time frame.

**Q4 How many patients have been treated in the last 4 months with Omalizumab for:**

- **Asthma ONLY**
- **Chronic rhinosinusitis with nasal polyps ONLY**
- **Chronic Spontaneous Urticaria ONLY**

A4 I can neither confirm nor deny whether the information you have requested is held by the Trust in its entirety.
