Dear

I am writing to acknowledge receipt of your email dated 14th January 2022 requesting information under the Freedom of Information Act (2000) regarding Serious Incidents.

**The University Hospitals of North Midlands Trust is committed to the Freedom of Information Act 2000.**

**However, the NHS is facing unprecedented challenges relating to the coronavirus (COVID-19) pandemic at the current time. Understandably, our resources have been diverted to support our front-line colleagues who are working tremendously hard to provide care for our patients, and to those in need of our services.**

**We strive to be transparent and to work with an open culture. But at this time, whilst care of our patients and the safety of our staff takes precedent, it is likely that responses to some requests for information will be delayed. We apologise for this position in advance, and will endeavour to provide you with as much information as we can, as soon as we are able.**

**The Information Commissioners Office has recognised the current situation in the NHS.**

As of 1<sup>st</sup> November 2014 University Hospitals of North Midlands NHS Trust (UHM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

**Q1 How many incidents that have been reported via trust incident reporting systems (for example DATIX or local equivalent) that have subsequently met the requirements of the serious incident framework and have been "declared" serious incidents between the following dates within the Emergency Department at Royal Stoke:**

- 1 - 01/04/2021 - 31/09/2021 Inclusive.**
- 2 - 01/10/2021 - 14/01/2022 Inclusive.**
