Date: 4<sup>th</sup> March 2021

Dear

I am writing in response to your email dated 10<sup>th</sup> January 2021 (received into our office 11<sup>th</sup> January) requesting information under the Freedom of Information Act (2000) regarding Covid-19.

I can neither confirm nor deny whether the information you have requested is held by the Trust in its entirety. This is because the information requested in your question is not held centrally, but may be recorded in individual health records. In order to confirm whether this information is held we would therefore have to individually access all individual health records within the Trust and extract the information where it is present. We therefore estimate that complying with your request is exempt under section 12 of the FOI Act: *cost of compliance is excessive*. The section 12 exemption applies when it is estimated a request will take in excess of 18 hours to complete. We estimate that accessing and reviewing all individual health records and then extracting relevant information would take longer than the 18 hours allowed for. In addition to the section 12 exemption the Trust is also applying section 14 (1) exemption: *oppressive burden on the authority*

As of 1<sup>st</sup> November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

**Q1 RE: COVID-19 ONLY DEATHS**

**I would be grateful if you could supply me with the following information.**

**How many people have been admitted into hospital, who have no underlying conditions, with Covid-19 and have died purely from Covid-19.**

**I can see the figures published online but these figures include people who have died within 28 days of having a positive PCR test and could have been admitted, and sadly died, from other causes.**

**If you could supply with the Covid-19 only deaths for the period 1.02.20 to 30.11.20 it would be very much appreciated.**

A1 Section 12 exemption as detailed above.

We are counting COVID-19 deaths as per the national guidance. The figure, and a description of the definition we are using, are published daily and can be found via the link below:
