Dear

I am writing in response to your email dated 7<sup>th</sup> September 2020 requesting information under the Freedom of Information Act (2000) regarding ventilators.

As of 1<sup>st</sup> November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

**Q1 I am writing to you under the Freedom of Information Act 2000 to request the following information from University Hospitals of North Midlands NHS Trust, separated by the hospitals within your Trust:**

- **Current number of total hospital beds, as well as number of ICU, NICU, and high dependency beds.**

A1 Please refer to the attached spread sheet that you supplied.

**Q2 A list of each mechanical ventilator within the Trust by: brand, model, site (hospital name), location within the hospital (for example, ICU, NICU, emergency department, etc.), purchase date, and installation date.**

**Please see the attached excel file for detailed descriptions.**

**For clarification, I am using the term ventilator to mean invasive mechanical ventilators and am excluding devices such as dedicated non-invasive ventilators, automatic resuscitators, continuous positive airway pressure (CPAP) units, anaesthesia units and other miscellaneous ventilators.**

**Additionally, to clarify, the term ICU stands for intensive care unit, PICU stands for paediatric intensive care unit, and NICU stands for neonatal intensive care unit.**
