Dear

I am writing in response to your email dated 18th March 2020 requesting information under the Freedom of Information Act (2000) regarding ventilators.

On 23rd March 2020 we contacted you via email with the following statement:

The University Hospitals of North Midlands Trust is committed to the Freedom of Information Act 2000.

However, the NHS is facing unprecedented challenges relating to the coronavirus (COVID-19) pandemic at the current time. Understandably, our resources have been diverted to support our front-line colleagues who are working tremendously hard to provide care for our patients, and to those in need of our services.

We strive to be transparent and to work with an open culture. But at this time, whilst care of our patients and the safety of our staff takes precedent, it is likely that responses to some requests for information will be delayed. We apologise for this position in advance, and will endeavour to provide you with as much information as we can, as soon as we are able.

The Information Commissioners Office has recognised the current situation in the NHS.

As of 1st November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.

Q1 Ideally I would like you to list all adult, paediatric and neonatal ventilators (not including disposable resuscitators) in hospitals covered by your Trust

A1 I can confirm that the Trust holds information regarding ventilators but feel this information is exempt under sections 38 (1)(a)(b) Health and safety: *places patients at potential harm* whilst key personnel are responding to FOIs that will divert staff from COVID-19 response and therefore potential risk to patients. In addition section 36(b) of the FOI Act: *prejudice the effective conduct of public affairs*; The Trust has determined whether disclosure of would have a detrimental effect, as defined by the section 36 and 38 exemptions and has refused this request on the grounds explained above.

Please refer to the attached spread sheet that you supplied

*Please note that any individuals identified do not give consent for their personal data to be processed for the purposes of direct marketing.

UHNM NHS Trust is a public sector body and governed by EU law. FOI requestors should note that any new Trust requirements over the EU threshold will be subject to these regulations and will be advertised for open competition accordingly.
