Dear

I am writing in response to your email dated 24th January 2019 (received into our office 25th January) requesting information under the Freedom of Information Act (2000) regarding staff lease cars. I apologise for the delay in responding.

On 4th February 2019 we contacted you via email as we required the following clarification:
What is your definition of leased cars?

On the same day you replied via email the following:
"This refers to employees who have cars on the lease car scheme."

Please note that the Trust received an identical request from yourself on 8th February 2019 (acknowledgment reference 672-1819) the below response is for both requests and FOI reference 672-1819 is now closed.

As of 1st November 2014 University Hospitals of North Midlands NHS Trust (UHNM) manages two hospital sites – Royal Stoke University Hospital, and County Hospital (Stafford). Therefore the response below is for the two sites combined from that date where appropriate.
